

Parent Agreement – please sign & return.

Dear Horizons Parent(s):

The success of Horizons K-8 is highly dependent on every parent's commitment to the philosophy and goals of our school. We ask all parents to demonstrate their support for the continued success of our school through both words and actions. By fully understanding Horizons expectations for teachers, parents, and students, and by adhering to the communication agreements that support the creation of Horizons positive learning environment, parents take an important step toward ensuring success for our students. By donating time and/or money to our program, parents meaningfully contribute to the health and vitality of our school.

The Horizons Council requests that parents read the school's expectations and communication agreements, as well as the information handbook provided by the school district. We request that each parent sign and return the original copy of this form to communicate their commitment to the Horizons vision.
